

A photograph of four diverse students walking across a grassy field. From left to right: a woman with braided hair wearing a red top and a light grey trench coat; a woman with curly hair wearing a black blazer over a light blue shirt; a man with a beard wearing a dark patterned shirt and a lanyard with an ID badge; and a woman with long dark hair wearing a plaid blazer. They are all smiling and looking towards each other. The background shows lush green trees under a cloudy sky.

Professional Course

# CIPD Foundation Certificate in People Practice

Dorset  
College Dublin

Educating since 1982

## Course Summary

The CIPD Foundation Certificate in People Practice will provide you with a newfound level of expertise in people practice—whether you're just starting out in HR or looking to advance your career. The CIPD (Chartered Institute of Personnel and Development) is the most prestigious and respected HR and L&D organisation in the world. They actively champion better working conditions and working lives by setting professional standards for HR and people development.

The CIPD Foundation Certificate in People Practice is ideal for those new to the HR profession, who are working in a support role and wish to gain a recognised people practice qualification. This programme is also suitable for line managers who are involved in HR without a specialist function, or mature applicants with relevant work experience.

Upon successful completion of the CIPD Foundation Certificate in People Practice, you will receive a Full Award Level 3 CIPD Foundation Certificate in People Practice. This qualification is equivalent to Level 5 on the Irish National Framework of Qualifications (NFQ) and Level 3 in the UK's Regulated Qualifications Framework (RQF).

**Course Fee:** €1750 (Inc membership fee)

Fees must be paid in full before the course begins. Payment plans are available if necessary.

Professional Course

# Diploma in Project Management (PMI)

## Course Summary

The Diploma in Project Management (PMI) course is designed to offer a comprehensive insight into all aspects of the project management process, providing a solid foundation for any individual wishing to pursue a career in project management across a range of diverse industries. This course can also form a significant part of your preparation for the Project Management Professional (PMP)® Certification Exam.

Dorset College is an Authorized Training Provider (ATP) for the Project Management Institute (PMI) and all of our instructors have completed the PMI Authorized Training Partner program, qualifying them to offer PMP® exam prep.

This course is designed for individuals who have on-the-job project management experience—regardless of whether their formal job title is project manager—who are not certified professionals, and who may or may not have received formal project management training.

**Course Fee:** €1059 (Inc access to PMI choice platform)

Fees must be paid in full before the course begins. Payment plans are available if necessary.

# 3D Modelling, Animation & Game Design

**Dorset**  
College **Dublin**

Educating since 1982

## Course Summary

The 3D Modelling, Animation & Game Design programme provides an introduction to the world of 3D asset creation. 3D modelling is the use of digital technology to create three-dimensional images and graphics. This modelling process is used to shape much of what we see in our everyday lives, from architectural structures to video games. In this course, students will learn how to model objects and develop high-quality 3D environments.

If you would like to work with digital platforms, while also expressing your creativity in a unique, modern way, then this is the course for you. Upon successful completion of the 3D Modelling, Animation & Game Design programme, you will receive a Full Award QQI 3D Modelling and Animation Minor Award Level 5.

**Course Fee:** €895 (Inc exam fee)

Fees must be paid in full before the course begins. Payment plans are available if necessary.

**Enrol Now:** [Click here](#) to fill out the form online and it will direct you to the payment page, where you can either pay in full or opt for a payment plan.

Professional Course

# Nursing Studies

## Course Summary

Students of the Nursing Studies programme will become familiar with the theories, concepts, and practices necessary to understand and display proficiency in a variety of basic nursing tasks. Upon graduation, you will have acquired a wide range of skills and competencies relevant to the nursing profession.

The Nursing Studies qualification, awarded by QQI (Quality and Qualification Ireland), provides learners with the ability, expertise and confidence to apply for a nursing degree programme through the CAO (Central Application Office) in Ireland or UCAS (Universities and Colleges Admissions Services) in the UK. This includes programmes in General Nursing, Maternity Nursing, Mental Health, Intellectual Disability, Children's or Social Care, and more, in both Ireland and the UK. Upon successful completion of the Nursing Studies programme, you will receive a Full Award QQI Nursing Studies Level 5 Major Award.

**Course Fee:** €2000 (Inc exam fee)

Fees must be paid in full before the course begins. Payment plans are available if necessary.

**Enrol Now:** [Click here](#) to fill out the form online and it will direct you to the payment page, where you can either pay in full or opt for a payment plan.

Professional Course

# Healthcare Support

Dorset  
College Dublin

Educating since 1982

## Course Summary

Our Healthcare Support programme provides a recognised healthcare qualification, equipping students with the knowledge, skills, and competencies needed to work under supervision as a Healthcare Assistant in a variety of settings. Throughout this programme, you will develop an understanding of how to provide an attentive, holistic experience for care recipients and their families. This course is a stepping stone to higher education for those who wish to obtain a degree in nursing or social care.

The Healthcare Support qualification, awarded by QQI (Quality and Qualification Ireland), provides learners with the ability, expertise and confidence to apply for a nursing degree programme through the CAO (Central Application Office), or UCAS (Universities and Colleges Admissions Services) in the UK. This includes programmes in General Nursing, Maternity Nursing, Mental Health, Intellectual Disability, Children's or Social Care, and more. Upon successful completion of the programme, you will receive a Full Award QQI Healthcare Support Level 5 Major Award.

Professional Course

# Diploma in Health Service Management and Leadership

**Dorset**  
College **Dublin**

Educating since 1982

## Course Summary

Our Diploma in Health Service Management and Leadership enables students to evaluate leadership styles and approaches in a variety of private and public contexts. The course will cover leadership dilemmas, the need for leadership in all aspects of life, and the impact of personal and public ethics, morals, and values in leadership roles.

Students will learn to manage projects and tasks through both theoretical and practical learning—including a team-based project designed to coach the skills necessary for an effective team performance. Course attendees will also learn how to apply supervisory management concepts and principles, as well as creative thinking and technical skills, in a range of health-related contexts and situations.

Upon successful completion of the Health Service Management and Leadership course, awarded by QQI (Quality and Qualification Ireland), you will receive a Full Award QQI Leadership Certificate Level 6 Minor Award and a Diploma from Dorset College.

**Course Fee:** €995 (Inc exam fee)

Fees must be paid in full before the course begins. Payment plans are available if necessary.

**Enrol Now:** [Click here](#) to fill out the form online and it will direct you to the payment page, where you can either pay in full or opt for a payment plan.

Professional Course

# Maternity Care Support

## Course Summary

The purpose of the Maternity Care Support programme is to gain the real-life knowledge, skills and competence required to support the Midwife in a maternity facility. Each week learners will grasp various aspects to help assist a Midwife in caring for mothers, babies, and the family unit, alongside topics of hygiene care, comfort, and maternity strategy. Classes are taught in a friendly and diverse student-centred learning environment with a professional Midwife to support, mentor and guide students through the skills, knowledge and understanding of maternity support.

Dorset College has a class equipped to offer a practical experience with specialist equipment, such as a hospital bed, baby cot, hospital trolley, drip and many other items of equipment. Upon successful completion of the Maternity Care programme, you will receive a Full Award QQI (Quality & Qualifications Ireland) Maternity Care Support Level 5 Minor Award.

**Course Fee:** €595 (Inc exam fee)

Fees must be paid in full prior to the commencement of the course.  
Payment plans are available.

**Enrol Now:** [Click here](#) to fill out the form online and it will direct you to the payment page, where you can either pay in full or opt for a payment plan.
